Name of the Institute: ICAR-Directorate of Coldwater Fisheries Research, Bhimtal 263136, Nainital, Uttarakhand

Name of Activity:

Stocking taking of waste management and promoting clean and green technologies

The ICAR-DCFR Experimental Fish Farm & Field Centre, Champawat organized an awareness programme focused on clean and green technologies and organic farming practices to promote sustainable agricultural methods among local farmers under Swachhta Pakhwada. The initiative aimed to educate participants on the benefits of eco-friendly farming techniques, including the use of organic fertilizers, crop rotation, and water conservation practices. The programme also emphasized the importance of adopting green technologies to mitigate environmental impact and promote long-term agricultural productivity.
