

Date: 10.10.2024

Name of the Institute: ICAR-Directorate of Coldwater Fisheries Research, Bhimtal

Name of Activity: Weeding out old records, disposing of old and obsolete furniture, junk materials

As part of the Special Campaign 4.0, a programme aimed at weeding out old records, disposing of obsolete furniture, and removing junk materials was organized in the Library Section of the institute. The initiative emphasized the importance of maintaining a clean and organized work environment, creating space by removing outdated records and obsolete items, generating revenue through the sale of these scrap materials.

The committee constituted for the purpose assessed the existing old records and furniture. The Items that were no longer needed were identified and sorted for disposal. A significant quantity of old newspapers was collected and set aside. In total, 275 kilograms of newspapers were sold out and an amount of ₹ 3575/- (Rupees three thousand five hundred & seventy five only) was earned as revenue and deposited into the institute a/c. The programme culminated in a clean-up drive, where committee members and staff worked collaboratively to clean and organize storage area, ensuring a neat and hygienic environment.
