

Dated: 11.10.2024

Name of the Institutes: ICAR-Directorate of Coldwater Fisheries Research, Bhimtal

Activity name: Cleaning of ornamental Unit, GIS lab., Museum and Backside of office

As part of the Special Campaign 4.0, ICAR-DCFR, Bhimtal, organized a cleaning drive across key areas, including the ornamental unit, GIS laboratory, museum, and the backside of the office.

The campaign mainly focused on promoting cleanliness and improving the working environment within the institute. The ornamental unit was cleaned to maintain the health of the fishes, while the GIS lab was sanitized. The museum was cleaned to preserve its exhibits, and the backside of the office was cleared for better upkeep.
