Name of the Institutes: ICAR-Directorate of Coldwater Fisheries Research, Experimental Fish Farm & Field Centre, Champawat, Uttarakhand

Activity name: Best Innovation under SBM cultural Fests

Under this important activity, a group of staff of the institute visited the different sites in Bhimtal area. One of the significant places was a glimpse of our old culture at the centre point of Bhimtal made by the local Nagar Panchayat. It represent a very traditional folk lifestyle of Kumaon region. Another place covered under the activity was presentation of Uttarakhand folk Art inside the Vikas Bhawan Complex. The Art was very meaningful and informative depicting the various religious places, state animals etc. A cleaning campaign by all the staff members of the institute involving local population was also carried out at those important sites.
